TUCSON NEWS.

VOL. 4. TUCSON, PIMA COUNTY, ARIZONA, MAY 16, 1897. No. 59.

BRIEF ITEMS.

Alex Levin has gone to San Fran-
cisco for a short visit.

Judge Bethune has been holding
court at Tombstone this week.

Hon. D. G. Chalmers and wife have
gone to Lochiel to spend the summer.

C. C. Wheeler, of the firm of Perry
& Wheeler went to Nogales the first
of the week.

Tucson people need not go to Cali-
fornia for a summer climate. They
can go to Oracle.

Judge W. H. Barnes left Monday
for Prescott on legal business where he
has a large practice.

Theo. G. Fitch, the Singer sewing
machine agent went to Nogales on
business during the week.

The first commencement of the Tuc-
son grammar school will be held in
Reid's opera house on Friday evening
May 28th, beginning at 8 p. m.

W. H. Bonsall, of Los Angeles, Pa-
cific Coast fire insurance adjuster, has
been in Tucson during the week on
business. Mr. Bonsall is judge Barnes' double.

Albert Steinfeld, head man of L.
Zeckendorf & Co., returned Tuesday
morning from Nogales where he has
been for a week importing Mexican
cattle.

The first infantry band has com-
menced its weekly concerts at the
plaza, much to the satisfaction of the
people of Tucson. The first entertain-
ment of the season was given Wednes-
day night and was much enjoyed by
all. This is the best band in Arizona
and can give California a close rub on
music.

James Reddoch and Miss Josephine
Wood were married Monday night
by Judge J. S. Wood. The groom is
a well known railroad man and the
bride is the accomplished and popular
niece of the judge. There are very
few more popular young ladies in Tuc-
son than was Miss Wood. Everybody
wishes her long life and happiness.

Everyone will be sorry to hear that
little Elsie Stewart, daughter of Mr.
and Mrs. W. Stewart has suffered a re-
lapsed and has again had to be placed
in plaster paris. About three months
ago Miss Stewart fell at the university
and hurt her spine very seriously.
She had to be placed in plaster paris for
a week and since it was removed she
has grown worse.

The Tucson smelter is in receipt of a
carload of ore from Kirkland and one
from Gila Bend. Another car is ex-
pected to arrive from Sonora this week.
It is reported that a rich strike has
been made near Kirkland lately. This
is the first car of ore from that place
ever shipped to Tucson. The smelter
will be blown in again in a few days.
—Citizen.

Major and Mrs. John A. Black cele-
brated the 15th anniversary of their
wedding day yesterday by taking a
trip to Agua Caliente. Mrs. Black
thinks the drive between Tucson and
the hot springs the pleasantest that
can be taken by visitors to this sec-
tion. The water is delightful and
oranges and other citrus fruits grow-
ing in abundance. —Star.

The social dance given Friday night
by the Woodmen of the World was a
grand affair. Following were the com-
mittees: Reception—Dr. and Mrs.
Olermann, Dr. Whitmore, Mrs. Love-
joy, W. F. Cooper and Miss Small;
Music—Rev. Pacheco, Mrs. Mrs. L. D.
Armstrong. The ice cream served by
Mrs. Lee of the New Orndorff was fine
and everybody enjoyed it immensely.
Guerochich & Fitzpatrick, contrac-
tors and builders of this city, have the
contract for putting an iron front in
the building in the southwest corner of
Congress street and Stone avenue.
This building is now occupied by the
H. A. Zeckendorf jewelry store on the
corner and the improvement will in-

clude the Union meat market on Con-
gress street, extending 45 feet, and a
number of offices on Stone avenue,
tending over 85 feet. The old will be
torn out and replaced by new iron and
brick work at an estimated cost of
about \$5,000. Work will be started
at once, and measurements for the
same were made yesterday under the
supervision of the contractors. —Tucson

Cattle Shipping Notes.
L. Zeckendorf & Co.'s shipments
will reach at least 30,000.

Over 20,000 head of Mexican cattle
will be shipped from this point this
season.

Between this date and the close of
the month, Pusch, Zellweger & Bernard
will ship 2500 head of cattle in addi-
tion to those already shipped.

George Pusch, of Pusch & Zellweger,
was out yesterday with S. C. Rector, a
Denver cattle buyer, to receive 500
cattle from the Arivaca district.
This firm has thus far shipped 10,000
head, all to Denver.

Brady & Levin's shipments from all
points will reach 50,000 head, a fair
percentage of which are from this
point.

It is estimated that at the close of
the season the shipments from this
point alone will approximate 50,000
head.

One trainload a day of cattle are
leaving Bowie station at present, and
will continue to do so until the close of
the season, about June 10th.

The prices of cattle have been, for
the three grades, \$12, \$15 and \$17
head, respectively. —Tucson Star.
